LIST OF PUBLICATIONS

PhD thesis

ISI journal papers

Element Dynamics on Feedforward Manual Control,” *IEEE Transactions on Cybernetics*, vol. 45,

**ISI journal papers – accepted**

in Conflict Detection and Resolution Models Based on Dynamic Velocity Obstacles,” *IEEE Transactions on Intelligent Transportation Systems*, online.

Based Analysis of Dynamic Air Traffic Controller Workload,” *Journal of Aircraft*, online.

**Non-ISI journal papers**

november issue.

Guidance in Synthetic Vision Displays,” *The Open Aerospace Engineering Journal (TOAEJ)*, vol. 4,
pp. 11–25, 2011.

platform Validation for a Model of a Low-cost Stewart Platform,” *Journal of Modeling, Simulation,

namic Feedthrough Model for Helicopters,” *CEAS Aeronautical Journal*, vol. 4, no. 4, pp. 421–432,
2013.

**Book Chapters**

play,” in *Psychological Issues in the Design of Virtual and Adaptive Interfaces*, L. J. Hettinger and

Search for Meaning: A Case Study of the Approach-to-Landing,” in *Handbook of Cognitive Task

Cognitive Approach to Situation Awareness: Theory and Application*, S. Banbury and S. Tremblay,

Conference Papers

List of publications Max Mulder (TU Delft) (April 12, 2015)
